

REMOVING ROAD BLOCKS

Establishing A "STARRY TEAM"

Not a team of "STARS"

Together Everyone Achieves More

- Respect for one another as people.
- Recognition of the Role of our Team Members.
- Continuing Education and “Sharing” of new information.
- Communication Skills.
- Horizontal Management Systems.

OTHER T.E.A.M building techniques

- Establish a Culture of encouraging individual staff and applauding success.
- Offer better Choices to staff e.g., to work longer, harder, more often.
- Get employees engaged. Encourage “Cross Over Jobs” when necessary. Multi Skill staff.
- Staff who are more needed, valued and more versatile.
- Smooth Interfaces. Replace ‘Surveillance’ with “Incentives.

RECRUITMENT OF OTHER PROFESSIONALS

- EARLY CASE CONFERENCING
- Be totally client centred
- Don't simply recognise a deficit in your client "ACT ON YOUR FINDINGS"
- Call in outside professionals if necessary
- Mobilise your own team

What to expect from your PHYSIOTHERAPIST

- ✔ Physical and Global Assessment Skills.
- ✔ Pain diagnosis and treatment.
- ✔ Rehabilitation skills related to performance of daily activities.
Maximising client potential.
- ✔ Realistic Goal Setting.
- ✔ Prediction and prevention of falls.

What to expect from your PHYSIOTHERAPIST cont..

- Staff education in transfer techniques and wellness topics.
- Knowledge sharing with family, carers & staff.
- Patient integration.
- Use of International Outcome Measures.

MAKE WORK FUN

MAKE WORK DAY A 'WORK OUT' DAY

HAVE FUN WITH YOUR TEAM AND CLIENTS

KEEP LEARNING, LOVING AND SHARING

CARING FOR OTHERS IS GOOD FOR YOU
BE SELFISH AND ENJOY IT

End of the
day...

Not this...
